§ 1.332-5

(3) For each of the taxable years which falls wholly or partly within the period of liquidation, the recipient corporation may be required to file a bond, the amount of which shall be fixed by the district director. The bond shall contain all terms specified by the Commissioner, including provisions unequivocally assuring prompt payment of the excess of income and profits taxes (plus penalty, if any, and interest) as computed by the district director without regard to the provisions of sections 332 and 334(b) over such taxes computed with regard to such provisions, regardless of whether such excess may or may not be made the subject of a notice of deficiency under section 6212 and regardless of whether it may or may not be assessed. Any bond required under section 332 shall have such surety or sureties as the Commissioner may require. However, see 6 U.S.C. 15, providing that where a bond is required by law or regulations, in lieu of surety or sureties there may be deposited bonds or notes of the United States. Only surety companies holding certificates of authority from the Secretary as acceptable sureties on Federal bonds will be approved as sureties. The bonds shall be executed in triplicate so that the Commissioner, the taxpayer, and the surety or the depositary may each have a copy. On and after September 1, 1953, the functions of the Commissioner with respect to such bonds shall be performed by the district director for the internal revenue district in which the return was filed and any bond filed on or after such date shall be filed with such district director.

(b) Pending the completion of the liquidation, if there is a compliance with paragraph (a) (1), (2), and (3) of this section and §1.332-2 with respect to the nonrecognition of gain or loss, the income and profits tax liability of the recipient corporation for each of the years covered in whole or in part by the liquidation shall be determined without the recognition of any gain or loss on account of the receipt of the distributions in liquidation. In such determination, the basis of the property or properties received by the recipient corporation shall be determined in accordance with section 334(b). However, if the transfer of the property is not completed within the three-year period allowed by section 332 or if the recipient corporation does not continue qualified with respect to the ownership of stock of the liquidating corporation as required by that section, gain or loss shall be recognized with respect to each distribution and the tax liability for each of the years covered in whole or in part by the liquidation shall be recomputed without regard to the provisions of section 332 or section 334(b) and the amount of any additional tax due upon such recomputation shall be promptly paid.

§ 1.332-5 Distributions in liquidation as affecting minority interests.

Upon the liquidation of a corporation in pursuance of a plan of complete liquidation, the gain or loss of minority shareholders shall be determined without regard to section 332, since it does not apply to that part of distributions in liquidation received by minority shareholders.

§ 1.332-6 Records to be kept and information to be filed with return.

(a) Statement filed by recipient corporation. If any recipient corporation received a liquidating distribution from the liquidating corporation pursuant to a plan (whether or not that recipient corporation has received or will receive other such distributions from the liquidating corporation in other tax years as part of the same plan) during the current tax year, such recipient corporation must include a statement entitled, "STATEMENT PURSUANT TO SECTION 332 BY [INSERT NAME AND EMPLOYER IDENTIFICATION NUM-BER (IF ANY) OF TAXPAYER], A CORPORATION RECEIVING A LIQUI-DATING DISTRIBUTION," on or with its return for such year. If any recipient corporation is a controlled foreign corporation (within the meaning of section 957), each United States shareholder (within the meaning of section 951(b)) with respect thereto must include this statement on or with its return. The statement must include-

(1) The name and employer identification number (if any) of the liquidating corporation;
